

Learn to grow Microgreens at Home Workshop Registration Form.

Thank you so much for your interest in participating in our Workshop! It's going to be a fun afternoon filled with practical, hands on learning. We aim to get you eating your own home-grown Microgreens ASAP.

This is an entry level course and requires no growing experience whatsoever.

There are limited spots, so reserve your space today by completing the registration form below.

Questions/Concerns

The workshop cost is \$20 per person with an additional \$15 grow kit fee. The grow kit will be used in the course and is yours to take home, complete with reusable planter.

We are also offering a “Grow it like a Farmer kit” for \$25 this kit contains a 10inch by 20 inch tray rather than a window sill pot.

We are not yet setup to take payments online. We ask that you bring cash or check to the workshop. Thanks!!

	Workshop fee\$20		DIY Grow Kit\$15	
# of people attending workshop	_____	X \$20	Total	_____
# of DIY grow kits	_____	X \$15.00	Total	_____
#of Grow it like a farmer kits	_____	X \$25.00	Total	_____
